EXHIBIT A

Dear Mayor Goldsmith:

This letter is to officially notify you that the precinct boundaries established by your county were approved at a meeting of the State Election Board held on January 31, 1992.

Your county registration officials should immediately begin altering voter registration records to reflect the new precincts.

Within 14 days following the receipt of this notice, the county executive must publish notice of the approval (IC 5-3-1-4). This notice should include:

- (1) a list of the precincts effected;
- (2) the date the order was issued by the county executive (if none was issued, the date the order was issued by the State Election Board: December 20, 1991);
- (3) the date the order was approved by the State Election Board;
- (4) the effective date of the order;
- (5) a statement that the maps, legal descriptions, and estimated voter population of the established precincts are on file for public inspection in the office of the county auditor.

The county executive should also file one copy of the maps and descriptions with the circuit court clerk or board of voter registration. A copy of the published notice must be filed with the State Election Board no later than 45 days after the notice of approval is published. The precinct changes become effective immediately.

If you have any questions regarding this matter, please do not hesitate to contact our office.

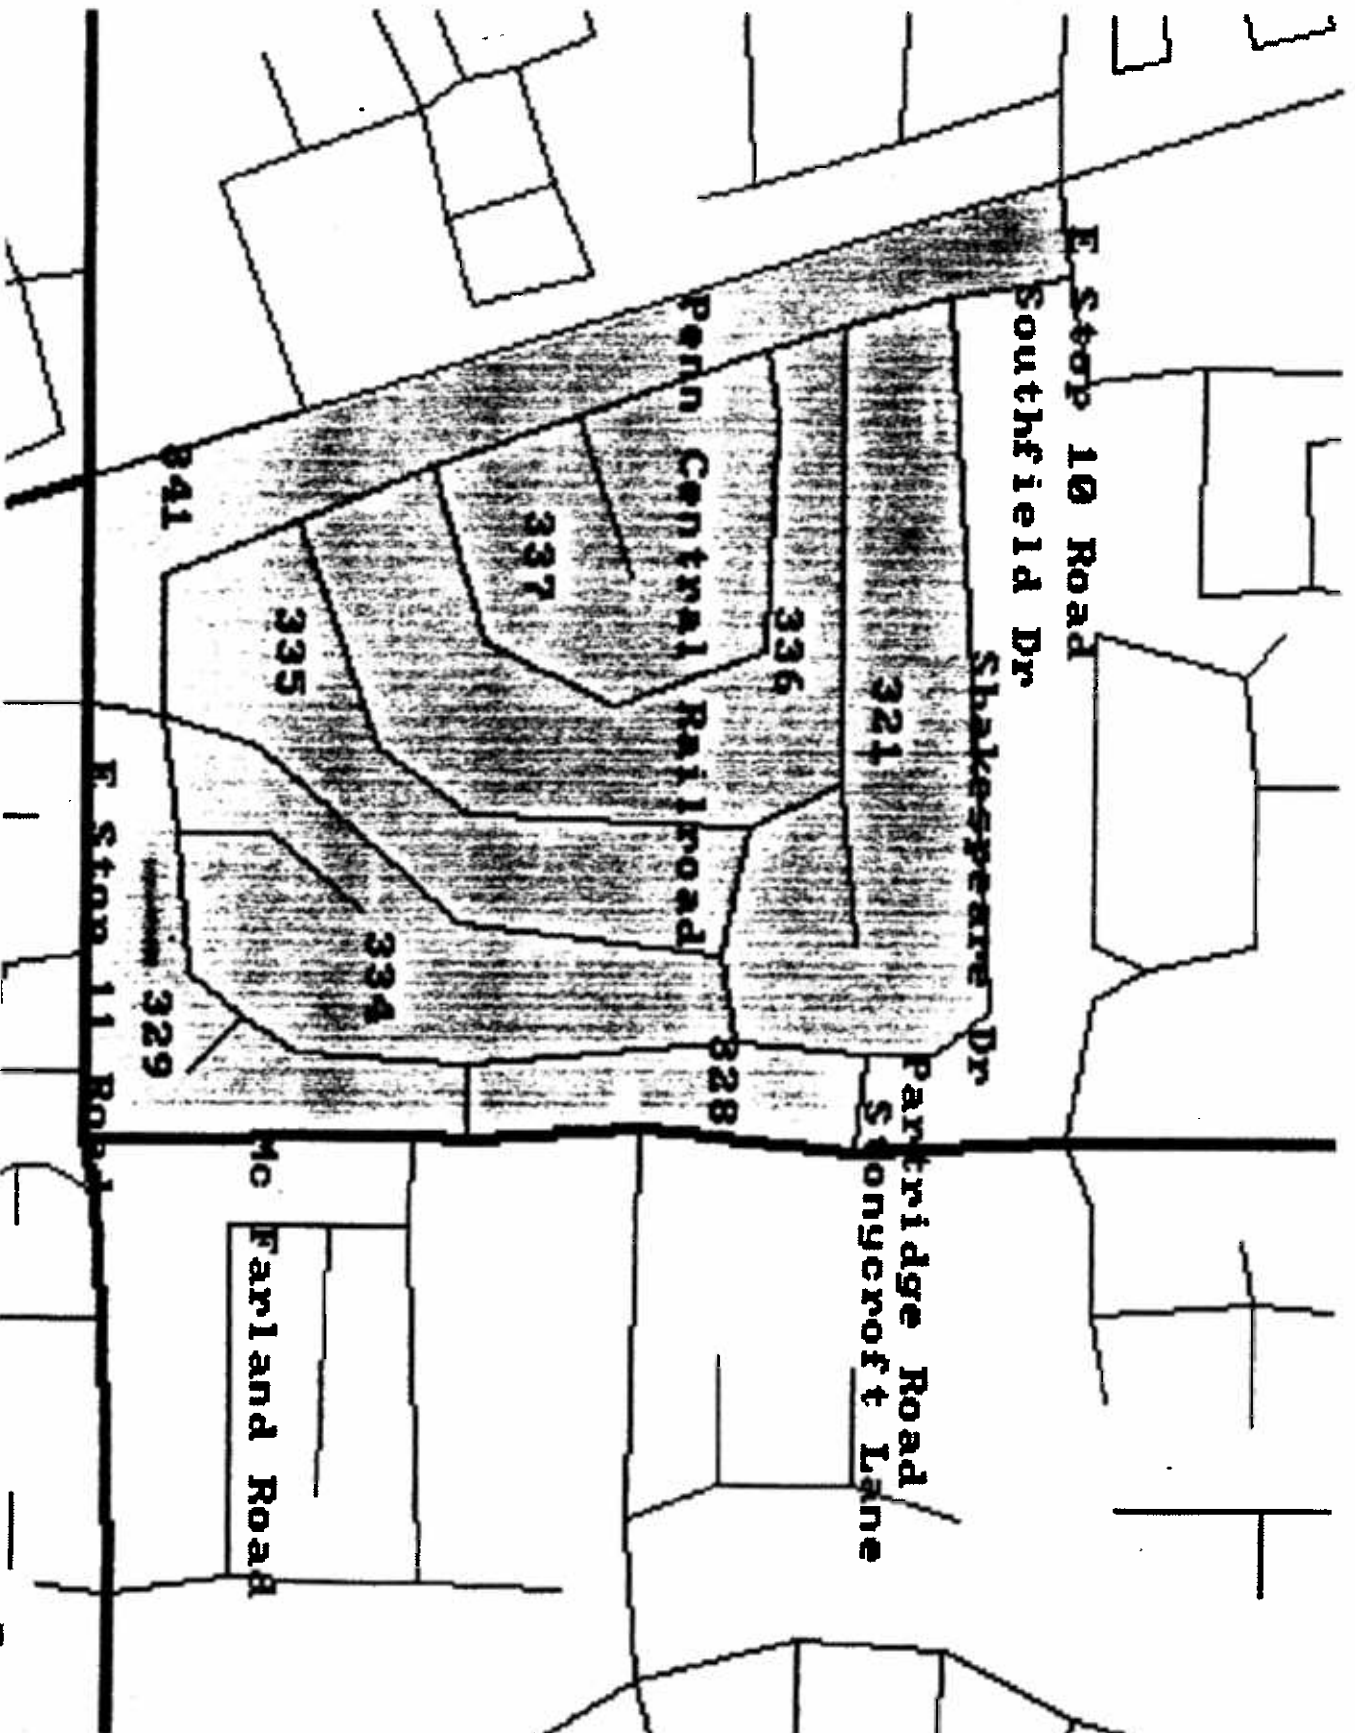

Sincerely,

David H. Malden
